

Save money. Save lives. Save the environment.

Promote Your *enGAUGE It* Event with Flyers!

Make sure everyone in your community knows about your *enGAUGE It* event by posting a flyer in local businesses! We have a design all ready for you to customize by adding the name of your school or youth group, the date, time, and location of your event, and your logo.

To create your own *enGAUGE It* flyer:

1. Download, or copy and paste, the [flyer template](#) and save it onto your computer. The flyer template is in Publisher.
2. Type in the name of your school or youth group, the date, time, and location of your event in the appropriate spots. Make sure to use Calisto MT font, in keeping with our graphic standards.
3. Add your school or youth group logo on the right hand bottom side of the flyer (make sure it is the same width or height as the Newton Marasco Foundation logo on the bottom left side of the flyer)

Then, just print out the number of copies you need and take them to local businesses and places where people visit (gyms, libraries, etc.) and ask if you can hang up the flyer to help promote your event.
